## Eric Salmon & Partners Announces Launch of Comprehensive Leadership Development Services

### Paris, France – May 29, 2024

Eric Salmon & Partners (ESP) is proud to announce the launch of its comprehensive Leadership Development Services, designed to accelerate executive and team performance at critical business junctures. This new service line reinforces ESP's commitment to fostering transformational leadership and sustainable corporate change.

With over 30 years of experience in executive search and advisory, Eric Salmon & Partners has built a robust reputation for delivering tailor-made human capital solutions at the executive level.

The newly launched Leadership Development Services team is dedicated to supporting business transformations by anchoring success in the human side of change. Eric Salmon & Partners will further support senior executives and teams in navigating complex business environments, enhancing their efficiency, and aligning their leadership with organizational goals.

### Key Offerings:

- **Executive Coaching:** Personalized coaching to help leaders navigate inflection points, sharpen their purpose, and deepen trust within their teams. Our coaches support executives in articulating strategies and desired mindsets, enabling them to lead with greater impact and fulfillment.

- **Team Coaching:** Transforming groups of individuals into high-performing teams by aligning both individual and collective values. Our team coaching journeys support executives in fostering deep trust, accountability, and a commitment to achieving collective goals.
- **Cohort Leadership Programs:** Designed to scale human transformation and to develop the next generation of business leaders through short, targeted coaching sessions combined with intense off-site experiences. Our modular programs focus on critical leadership competencies and are tailored to address the specific needs of each cohort, ensuring practical and impactful learning.

### **Why Choose Eric Salmon & Partners?**

- **Tailor-Made Solutions:** Our philosophy is that one size does not fit all. Each leadership journey is co-created with clients to meet their unique needs and objectives.
- **Experienced Coaches:** A global community of certified executive and team coaches with deep business experience working with senior leaders and top teams.
- **Holistic Approach:** Combining action with awareness, performance with compassion, and short-term survival with long-term meaning, we help leaders do what is right for all stakeholders.
- **Proven Methodologies:** We utilize the latest frameworks for team effectiveness and adult development to ensure comprehensive and effective leadership development.

The launch of the Leadership Development Services marks a significant step in our mission to empower leaders and teams to achieve their fullest potential.
